PENNSYLVANIA BULLETIN NO. PA330-7-4

SUBJECT: MGT – USDA, National Appeals Division (NAD) Address Change

PURPOSE: To announce change in address for NAD

EXPIRATION DATE: September 30, 2007

Background: The National Appeals Division is the highest level of appeal our customers have at the departmental level. When we provide directions for appeal rights their address is part of the information we send to the producer. They recently informed us they have a new mailing address and that all regular correspondence (USPS) should be sent there. Their telephone number, fax number and physical address are still the same.

The new address is the following:

USDA, National Appeals Division
P.O. Box 68806
Indianapolis, IN 46268-0806

For documents developed in the State Office the staff will progressively change the address and will send to the Field Office the revised document.

Action Required: Before sending a document containing NAD's mailing address, please corroborate that the address have been changed. If the old address is still in place, replace it with the new one. Please, share this information with Farm Service Agency and Conservation District staff.

Contact: If you have any questions contact Noel Soto, State Appeals Coordinator, at 717-237-2173 or Noel.Soto@pa.usda.gov.
